

Webinar: Launch of the ConnectEO call for trade missions

June 15th, 11am – 12pm CET

The Project

The ConnectEO project aims at promoting partnerships between European EO SMEs active in the maritime and agricultural sectors and potential partners and stakeholders in the Australian and Chilean markets.

Business Opportunities

This webinar is organized by the ConnectEO members. It will present the call for trade missions, which will select the SMEs that are interested in doing business in one or both of the targeted countries.

Programme

11:00 - Introduction and presentation of the ConnectEO community

11:15 - Results from the Expression of Interest

11:30 – Presentation of the call for trade missions

11:45 - Q&A session with participants
